The New Nemo Corset
DESIGNED AND BUILT EXPRESSLY
For Slender Women

Half-a-dozen years ago, before the "slouch" led women to sacrifice their figures to Fashion, the original Nemo "Military-Belt" Corset was quite the rage.

The new Nemo "Military-Belt" Corset, now being introduced, is an even better model, and will help a host of women to undo the damage caused by "corsetless" modes.

It will cause the wearer unconsciously to walk erectly, with the right poise, bringing her health and fashionable lines.

330—for slender and medium figures, medium height. **\$3.00**
333—for taller medium and slender figures.

We strongly advise all women of slender figure to investigate this really admirable new corset.
